Dear Valued Customer,

Re: Amino Taurine – Formulation Update

Thank you for ordering GENESTRA BRANDS® Amino Taurine. We would like to inform you of the following changes to this product.

- **Increased amount of Taurine per capsule:** now with 500 mg Taurine per capsule (increased from 400 mg) – less capsules per day required for improved patient compliance
- **Other ingredients:** removed magnesium stearate, added ascorbyl palmitate & silica
- **Revised Order Code:**
 - **06426A / UPC 8 83196 15200 1**

Helping to support your practice includes the continuous improvement of the product experience and overall patient compliance. We are confident that you will experience great results with this enhanced formulation. Continual client feedback is an important component of this process, helping to ensure product superiority and reliable results for your patients. Feel free to contact Seroyal customer service or your sales representative at any time to provide your input.

Thank you for your continued support.

Yves Yau
