Warnings

Stop use and ask a doctor if symptoms persist or worsen.

If pregnant or breastfeeding, ask a health professional before use.
Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- To be taken 10 minutes away from food.
- Invert bottle and shake lightly allowing drops to fall directly under the tongue or into ¼ oz of water.
- Hold contents for about 20 seconds and swallow.
- To promote drop flow, invert bottle and shake before each use.
- Dosage frequency may be increased up to 6 times daily depending on the severity of symptoms.

Adults and adolescents (12 years and older)

Take 10 drops 3 times daily or as recommended by your healthcare practitioner.

Children (under 12 years)

Take under the direction of your healthcare practitioner. →
