Genestra HMF (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: In a glass, add water or milk to 1 sachet of HMF Intensive 500 and mix. Take once daily with a meal, or as recommended by your health professional. **Warning:** If you have an immune-compromised condition, do not use. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional. **Keep out of the reach of children.** Do not use if box or contents are open or damaged. Store under refrigeration (below 46°F).
