

Recommended Dose: Take one teaspoon daily with a meal, a few hours before or after taking medications or other supplements, or as recommended by your healthcare practitioner. If preferred, Zinc Glycinate Liquid can be mixed with juice or water. **Risk Information:** Consult your healthcare practitioner prior to use if you are pregnant, breastfeeding, taking any medication, or have any health condition. Zinc supplementation can cause a copper deficiency. Consult your healthcare practitioner prior to use if you are unsure whether you are taking enough copper. **Guaranteed** to contain no added wheat, gluten, soy, artificial coloring or flavoring, dairy or animal products. Ideal for vegans. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place. Keep out of reach of children.
