

**Recommended Adult Dose:** Take one teaspoon daily or as recommended by your healthcare practitioner. If preferred, Potassium Glycinate Liquid can be mixed with juice or water. **Risk Information:** Not to be taken if you have hyperkalemia or abnormal kidney function, or are taking ACE inhibitors or potassium sparing diuretics. Consult your healthcare practitioner prior to use if you are pregnant, breastfeeding, taking any medication, or have any health condition. **Guaranteed** to contain no added wheat, starch, gluten, soy, artificial coloring, dairy or animal products. Ideal for vegans. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place. Keep out of reach of children.
