

Genestra HMF (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: In a glass, add water to 1 scoop of HMF Neuro Powder and mix. Take 2 times daily with meals, at least 2 to 3 hours before or after taking antibiotics, or as recommended by your health professional. **Warning:** If you have an immune-compromised condition, do not use. If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional. **Keep out of the reach of children.** Use only if safety seal is intact. Store under refrigeration (below 46 °F).
