Genestra HMF (Human Microflora) Probiotics offer: • Clinically studied, proprietary strains • Doctor-recommended for over 20 years • Research-driven, condition-specific formulas • Potency guaranteed through expiration

Recommended Dose: Mix 1 sachet in 1-2 cups of cold water. Take once taily with a meal, a few hours before or after taking medications or other supplements, or as recommended by your health professional. Warning: If you have an immune-compromised condition, hyperkalemia or abnormal kidney function, or are taking ACE inhibitors or potassiumsparing diuretics, do not use. If you are pregnant or lactating, have my health condition or are taking any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional. Keep out of the reach of children. This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 46 °F).
