

Recommended Dose: Take 1 capsule daily at bedtime, away from food, or as recommended by your health professional. Take a few hours before or after taking medications or health products. For occasional use only; do not use for more than 7 days. **Warning:** If you are pregnant, lactating or if you have abnormal constrictions of the gastrointestinal tract, potential or existing intestinal blockage, atonic bowel, appendicitis, inflammatory colon disease such as Crohn's disease or ulcerative colitis, abdominal pain of unknown origin, undiagnosed rectal bleeding, severe dehydration with depleted water or electrolytes or diarrhoea, do not use. If you have any health condition or are taking any medication, consult your health professional before use. If allergy, abdominal pain, cramps, spasms, or diarrhea occur, or you develop symptoms of liver trouble, stop use. **Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
