

**Recommended Dose:** Take 2 capsules 2 times daily, a few hours before or after taking other medications or supplements, or as recommended by your health professional.

**Warning:** If you are pregnant or lactating, have heart disease, high or low blood pressure, kidney or liver disorder, diabetes, bile duct obstruction or edema, or are taking products containing diuretics, do not use. If you are taking any medication or have any condition, consult your health professional before use. If you experience dizziness, confusion, muscle weakness or pain, abnormal heartbeat, or difficulty breathing, stop use and seek medical attention immediately. If allergy occurs, stop use.

**Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
