

Recommended Dose: Take 30 drops 3 times daily, a few hours before or after taking medications or other supplements, or as recommended by your health professional. **Warning:** If you are pregnant or lactating, have heart disease, high or low blood pressure, kidney or liver disorder, diabetes, edema, abnormal constrictions of the gastrointestinal tract, potential or existing intestinal blockage, atonic bowel, appendicitis, inflammatory colon disease such as Crohn's disease or ulcerative colitis, abdominal pain of unknown origin, undiagnosed rectal bleeding, severe dehydration with depleted water or electrolytes or diarrhea, or are taking products containing diuretics, do not use. If you have any health condition or are taking any medication, consult your health professional before use. Rare cases of severe allergic reactions have been known to occur. If you experience dizziness, confusion, muscle weakness or pain, abnormal heart beat or difficulty breathing, stop use and seek medical attention immediately. If you experience abdominal pain, cramps, spasms or diarrhea, discontinue use. **Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
