

Recommended Dose: Take 15 drops 2 to 5 times daily, 30 minutes before meals or as recommended by your health professional. **Warning:** If you are pregnant or lactating or if you have hyperthyroidism, cardiac problems or high blood pressure, do not use. If you have any health condition or are taking any medication, consult your health professional before use. Consumption with alcohol, or other products with sedative properties is not recommended. Some people may experience drowsiness. Exercise caution if operating heavy machinery, driving a motor vehicle or involved in activities requiring mental alertness. **Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
