

D-Mulsion 2500

Supports musculoskeletal, cardiovascular, neurocognitive, cellular and immune health[†]

DESCRIPTION

D-Mulsion provides 2500 IU of vitamin D3 in each drop. Among its many other roles, Vitamin D3 enhances calcium absorption and retention, which is key for supporting healthy bones. Vitamin D also can influence healthy immune system function[†]

SUGGESTED USE

Take 1 drop daily or as recommended by your health professional.

STORAGE

Store in a cool, dry place.

WARNING

If you are pregnant, nursing, have any health condition or taking any medication, consult your health professional before using this product. Accidental overdose of liquid vitamin D products can lead to serious adverse side effects in infants. THIS PRODUCT IS NOT INTENDED FOR INFANTS. The recommended daily dose of vitamin D for infants is 10 mcg (400 IU). This product delivers 62.5 mcg (2,500 IU) of vitamin D per dose. It is recommended that people consuming more than 50 mcg (2,000 IU) per day should have their vitamin D blood levels monitored. Keep out of reach of children.

NOTES

Bottle count 30

Order code 01175-30U
