

Liv Detox Enhanced

Support for healthy liver function‡

INDICATIONS

- Traditional support for healthy liver function and kidney function‡

DESCRIPTION

Liv Detox Enhanced contains a variety of herbs used to support healthy liver function including:‡

- Chlorella may support the body's natural detoxification processes.‡
- Milk Thistle Extract may support healthy liver function.‡
- Common Barberry Extract may support healthy liver function.‡
- Bupleurum Extract may support liver health.‡
- Globe Artichoke Extract may support bile flow.‡
- Sodium Alginate supports GI comfort.‡
- Dandelion Extract is traditionally used to support gastrointestinal and liver function.‡
- Cranberry Extract may support urinary tract health.‡
- Corn Silk Extract (style & stigma) may support healthy elimination functions.‡
- Fringetree Extract may support cellular health, providing protection against free radicals.‡

SUGGESTED USE

Take 2 capsules 2 times daily, a few hours before or after taking other medications or supplements, or as recommended by your health professional.

STORAGE

Store in a cool, dry place. Use only if safety seal is intact.

WARNING

If you are pregnant or lactating, have heart disease, high or low blood pressure, kidney or liver disorder, diabetes, bile duct obstruction or edema, or are taking products containing diuretics, do not use. If you are taking any medication or have any condition, consult your health professional before use. If you experience dizziness, confusion, muscle weakness or pain, abnormal heartbeat, or difficulty breathing, stop use and seek medical attention immediately. If allergy occurs, stop use.

NOTES

Bottle count 120

Order code 07683-120U
