

HLC MAINTENANCE

probiotic supplement

✓ **Human Lactic Commensals (HLC) probiotic strains are research-driven and clinically proven in randomized, double-blind, placebo-controlled human trials at 25 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.**

Recommended intake: Adults and children (6 years and older): One capsule taken 1-2 times daily with a meal, at least 2-3 hours before or after taking antibiotics, or as professionally directed.

Risk information: If you have an immune-compromised condition, do not use. If symptoms of digestive upset occur, worsen or persist beyond three days, discontinue use and consult your healthcare practitioner.

Vacuum-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store under refrigeration (below 46 °F).

Keep out of reach of children.

Pack size: 60 vegetable capsules

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 60

Amount per serving	%DV
HLC Consortium 2.5 billion viable cells †
