

HLC CHILD

probiotic supplement

HLC CHILD

probiotic supplement
natural blackcurrant flavor

Pack size: 30 chewable tablets

Recommended intake: Children (4 years and older): Chew one tablet 1-2 times daily with a meal, at least 2-3 hours before or after taking antibiotics, or as professionally directed.

Risk information: If you have an immune-compromised condition, do not use. If symptoms of digestive upset occur, worsen or persist beyond three days, discontinue use and consult your healthcare practitioner. Safety-sealed for your protection and for product freshness. Do not use if the blister pack has been tampered with. Store under refrigeration (below 46 °F). Keep out of reach of children.

✓ **Human Lactic Commensals (HLC) probiotic strains are research-driven and clinically proven in randomized, double-blind, placebo-controlled human trials at 25 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.**
