+ % Daily Value (DV) not established	

Other ingredients: Maltodextrin, hypromellose

Human Lactic Commensals (HLC) probiotic strains were studied in randomized, double-blind, placebo-controlled human trials at 10 billion CFU per day. Proprietary non-pathogenic human-sourced microflora bacterial strains are utilized as they have strong epithelial adherence and a naturally high tolerance to stomach acid.

Recommended Intake: Women: One capsule taken daily with a meal, at least 2-3 hours before or after taking antibiotics, or as professionally directed.

Risk Information: If you have an immune-compromised condition, do not use. If you are experiencing nausea, fever, vomiting, bloody diarrhea or severe abdominal pain, consult your healthcare practitioner prior to use. If symptoms of digestive upset occur, worsen, or persist beyond three days, discontinue use and consult your healthcare practitioner.

Safety-sealed for your protection and for product freshness. Do not use if the blister pack has been tampered with. Store under refrigeration (below 46 °F).

Keep out of reach of children.

Made in the UK for Seroyal USA, Pittsburgh, PA 15275. 1-888-737-6925
