

# PEA Joint Support

Supports joint and muscle comfort<sup>‡</sup>

## INDICATIONS

- Supports joint mobility and joint comfort<sup>‡</sup>
- Supports nerve function<sup>‡</sup>

## DESCRIPTION

PEA Joint Support contains a combination of micronized palmitoylethanolamide (PEA) with magnesium and boswellia to help support joint mobility and comfort, as well as muscle and nerve function. PEA was first discovered 80+ years ago and has been studied for its mechanisms of action in supporting and maintaining joint comfort and mobility. Genestra Brands® PEA Joint Pain Support also includes magnesium to support healthy muscle function as well as Boswellia serrata traditionally used in both herbal and Ayurvedic medicine. PEA Joint Support is an innovative formula offering a unique way to support joint and muscle function.<sup>‡</sup>

## SUGGESTED USE

Take 2 capsules daily or as recommended by your health professional.

## STORAGE

Store in a cool, dry place. Use only if safety seal is intact.

## WARNING

Not to be taken by pregnant or lactating women. If you have any health condition or are taking any medication, consult your health professional before use. If allergy, diarrhea, abdominal pain, heartburn, nausea or vomiting occur, stop use. Keep out of reach of children.

## NOTES

Bottle count 60

Order codes 10650-60U
