

Ubiquinol 100mg

Supports cardiovascular health[‡]

DESCRIPTION

Ubiquinol 100 mg is a yeast-fermented and biologically active (reduced) form of CoQ10 which may support cardiovascular health and antioxidant protection. Ubiquinol may offer additional advantages over CoQ10 supplementation by providing a greater plasma level of total CoQ10 compared to traditional ubiquinone[‡]

SUGGESTED USE

Take 1 softgel daily or as recommended by your health professional.

STORAGE

Store in a cool, dry place. Use only if safety seal is intact.

WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

NOTES

Bottle count 30

Order code 10579-30U
